

Give up guitar

I have practiced a lot and I started to get bored about guitar. At the same time, I have many homework from school that I need to finish.

Keep working on playing

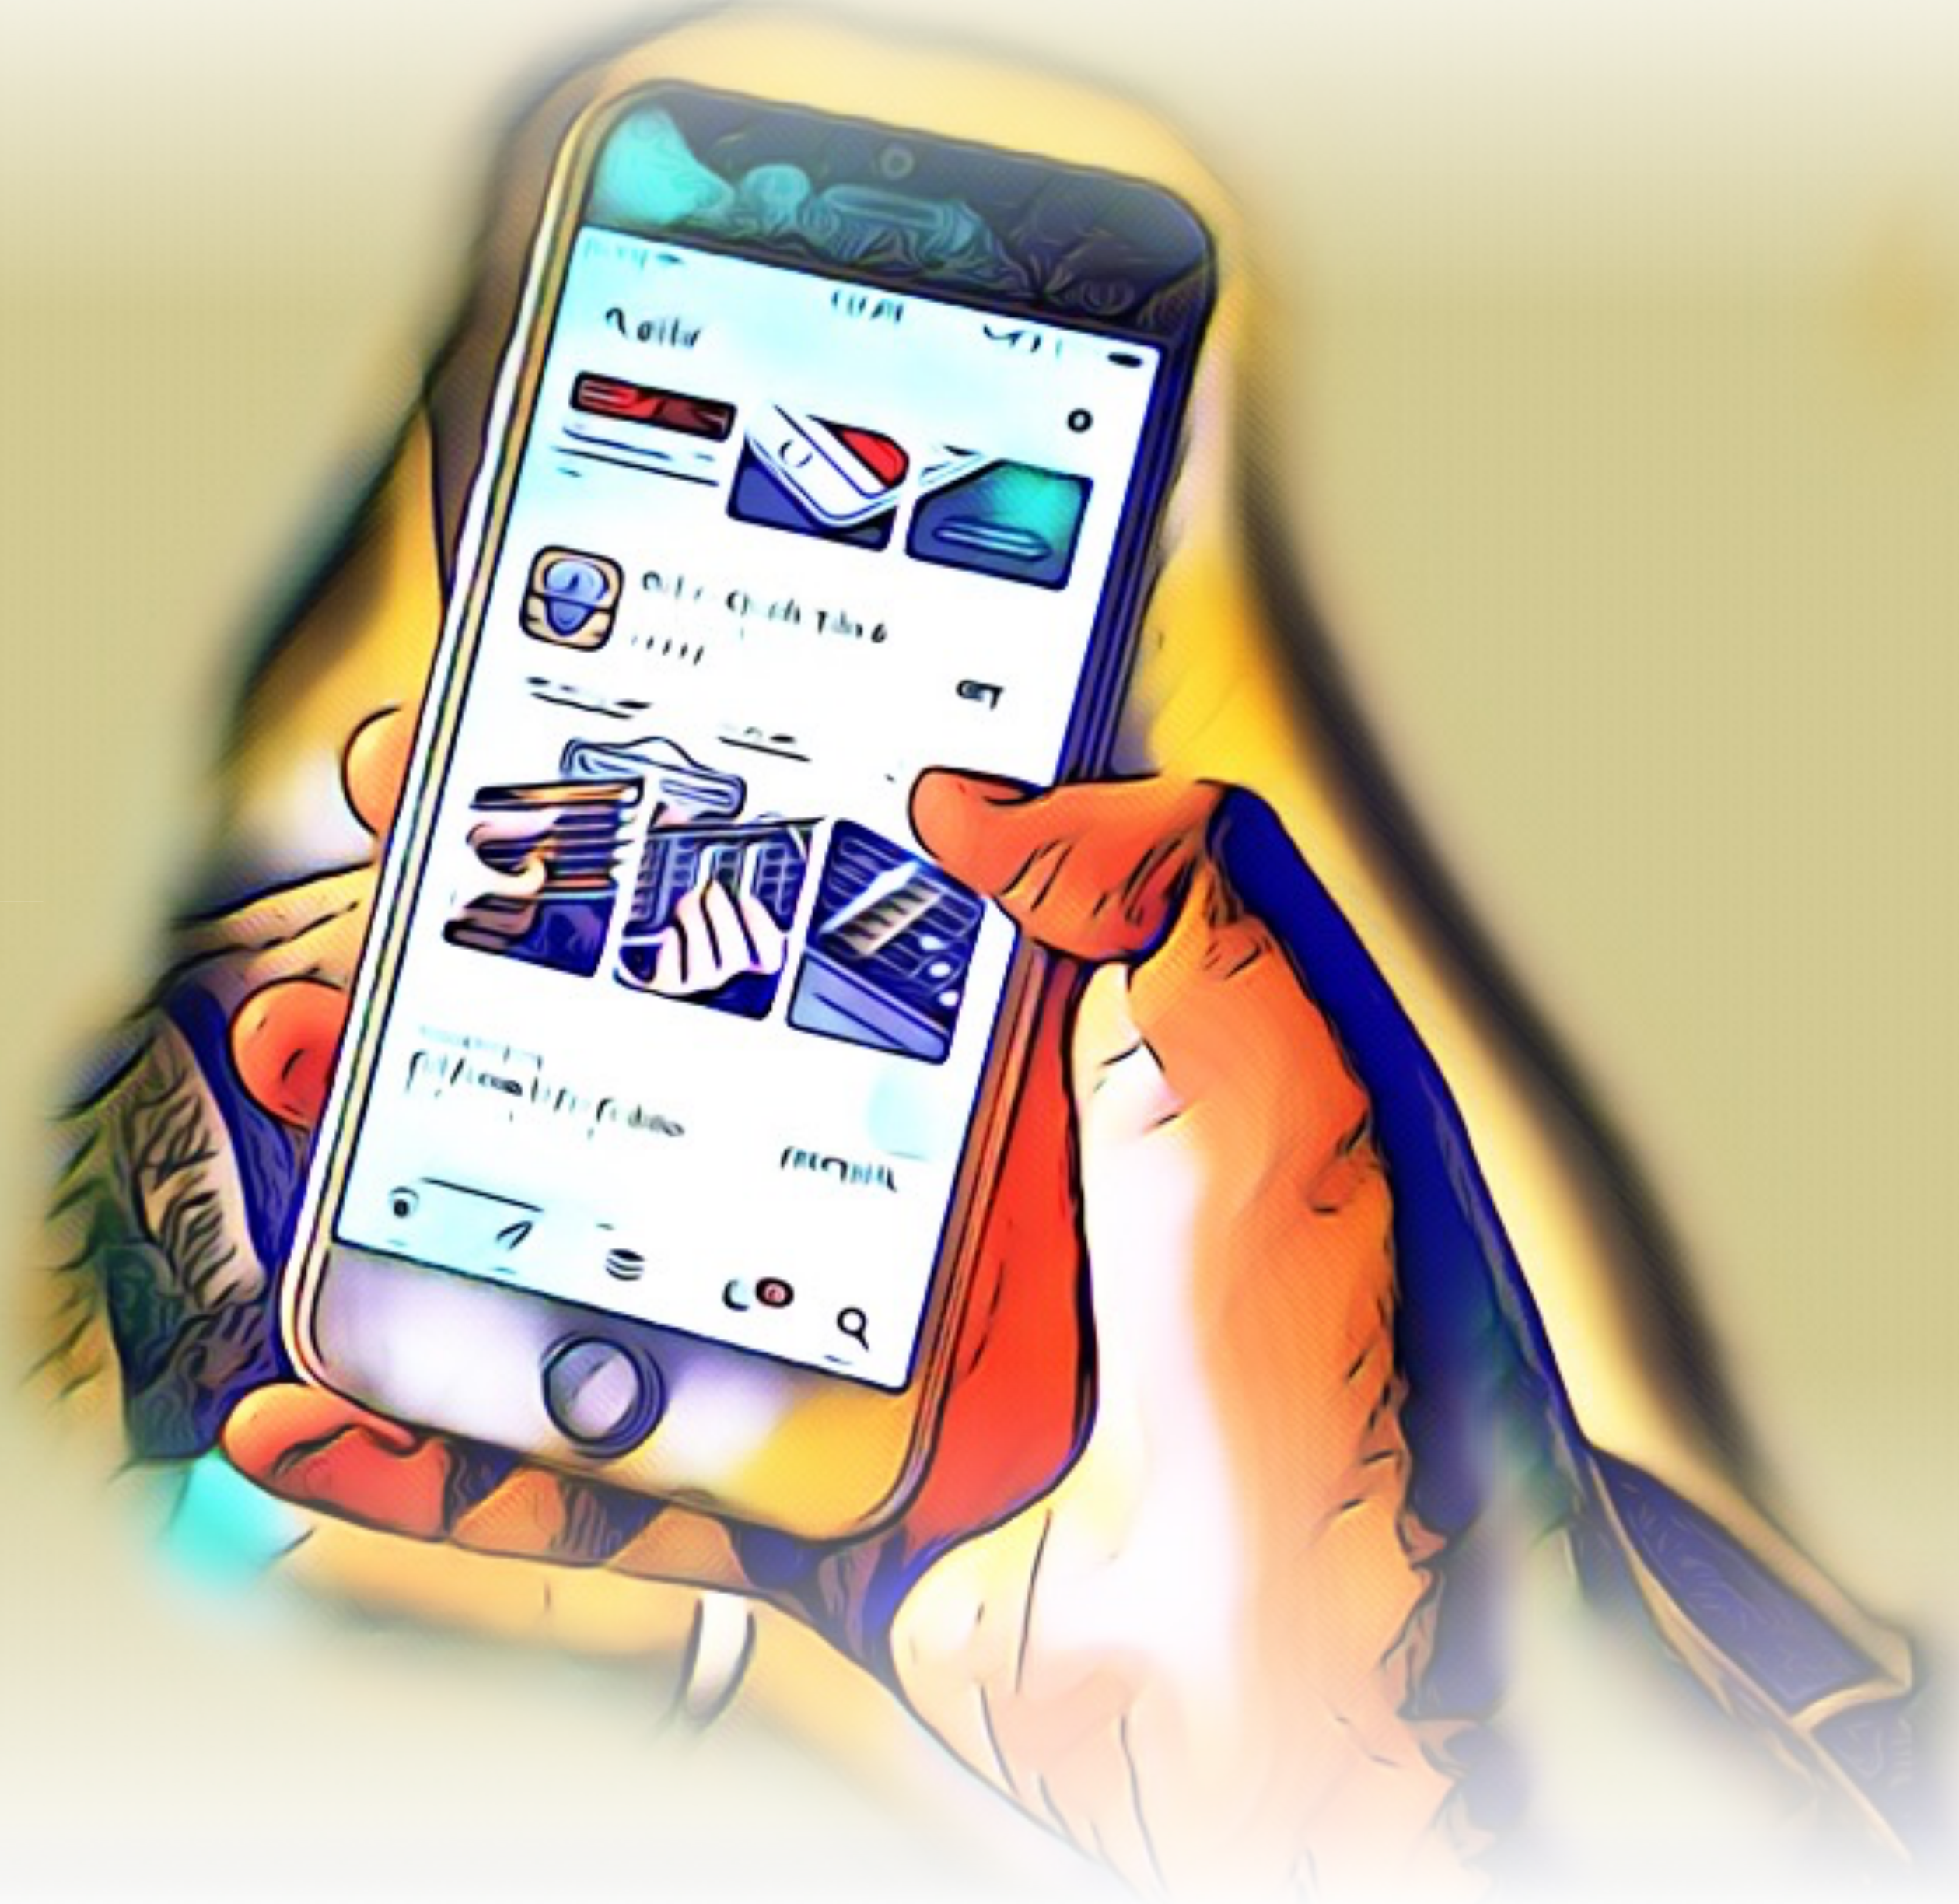

I have practiced a lot and I started to get bored about guitar. At the same time, I have many homework from school that I need to finish.

🏃 Keep working on playing

🚶 Give up guitar

I have too much work to do other than learning the guitar. Maybe I will pick up later when I have time.

🤔 End 2.1
