

 Do another plan to catch up the progress

Let it go... Let it go...

I am so far behind my guitar practice plan which makes me less willing to practice guitar. 🥵

😱 Do another plan to catch up the progress

😬 Let it go... Let it go...

I did not become any better. *As* time  
passing by, I become more depressed. There  
is no hope in my life.

 See the end of my story
