Keep learning piano, which I do not like

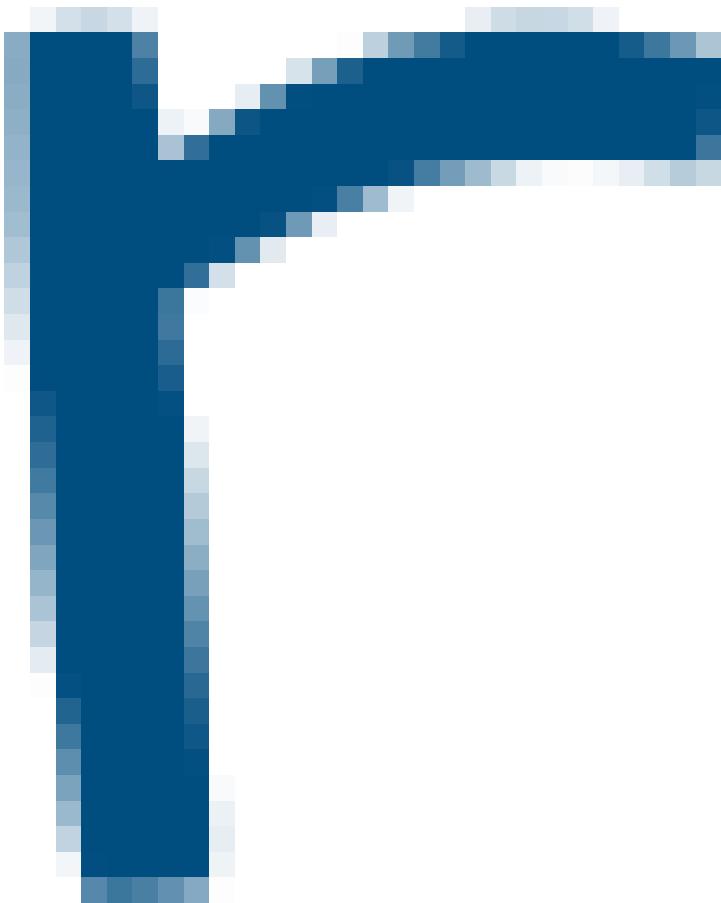

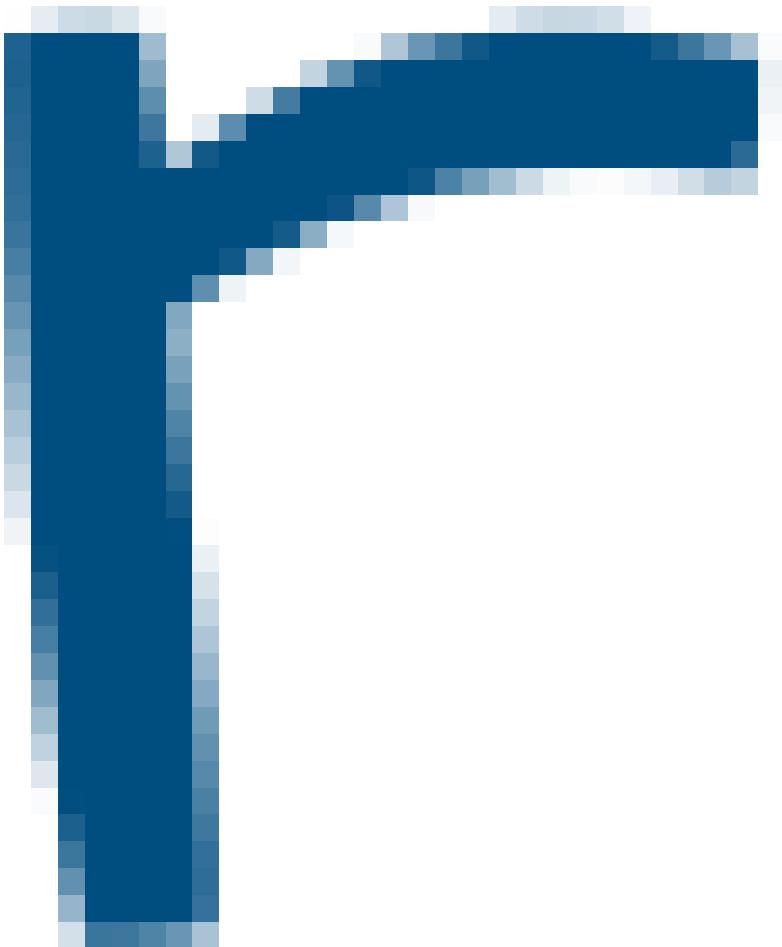

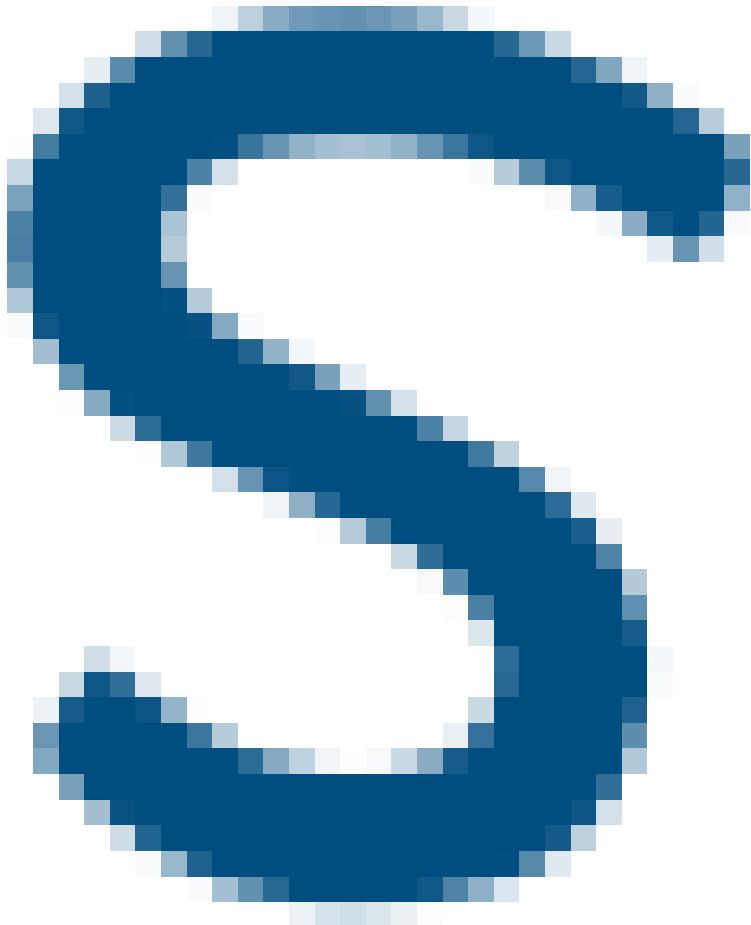

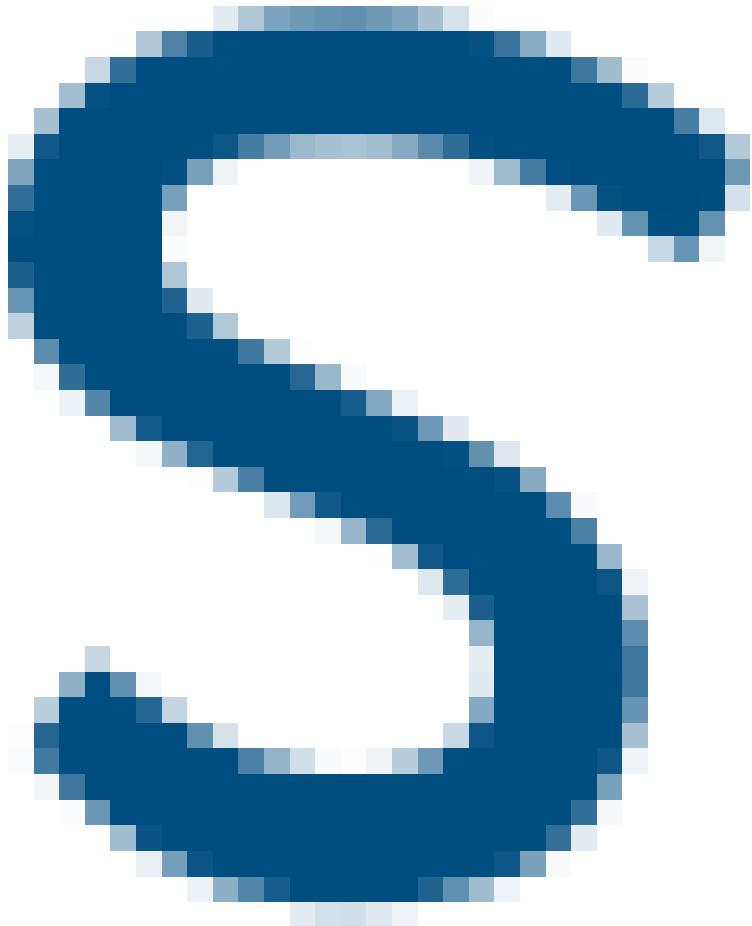

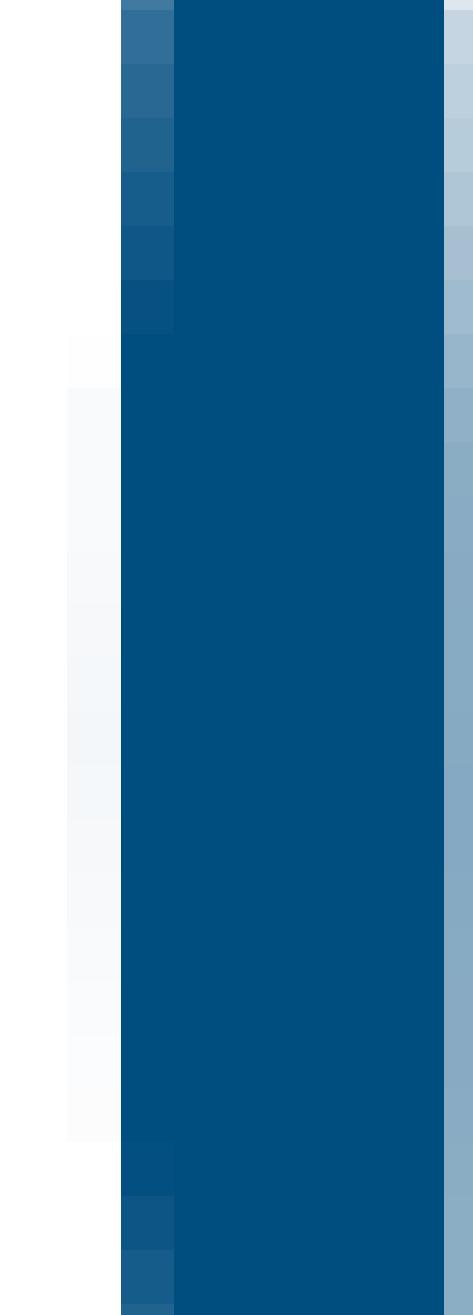

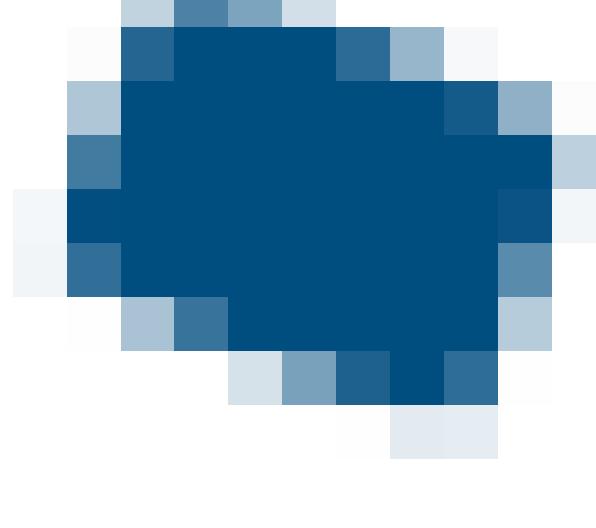

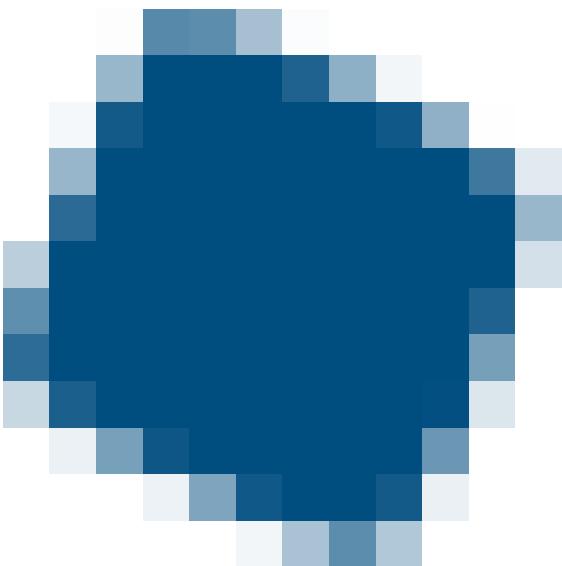

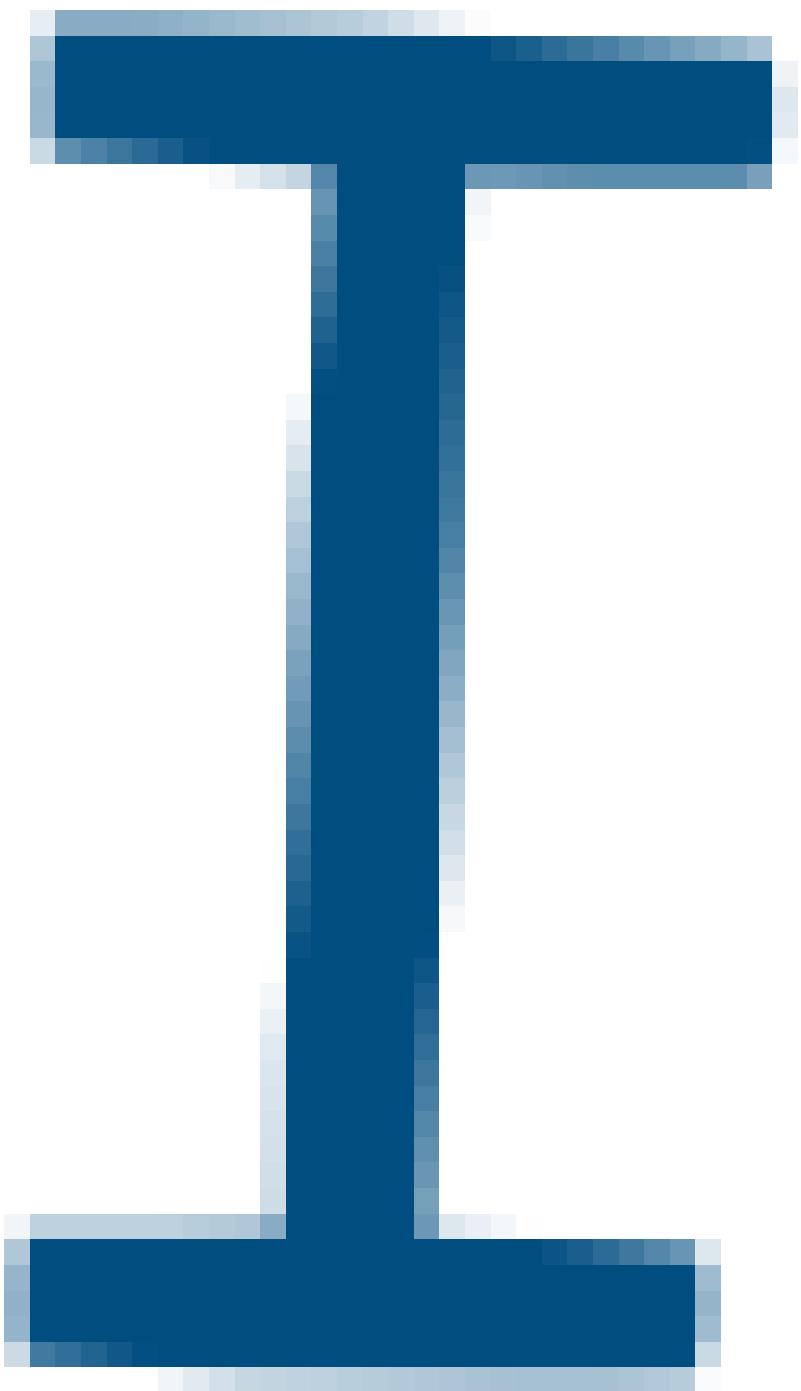

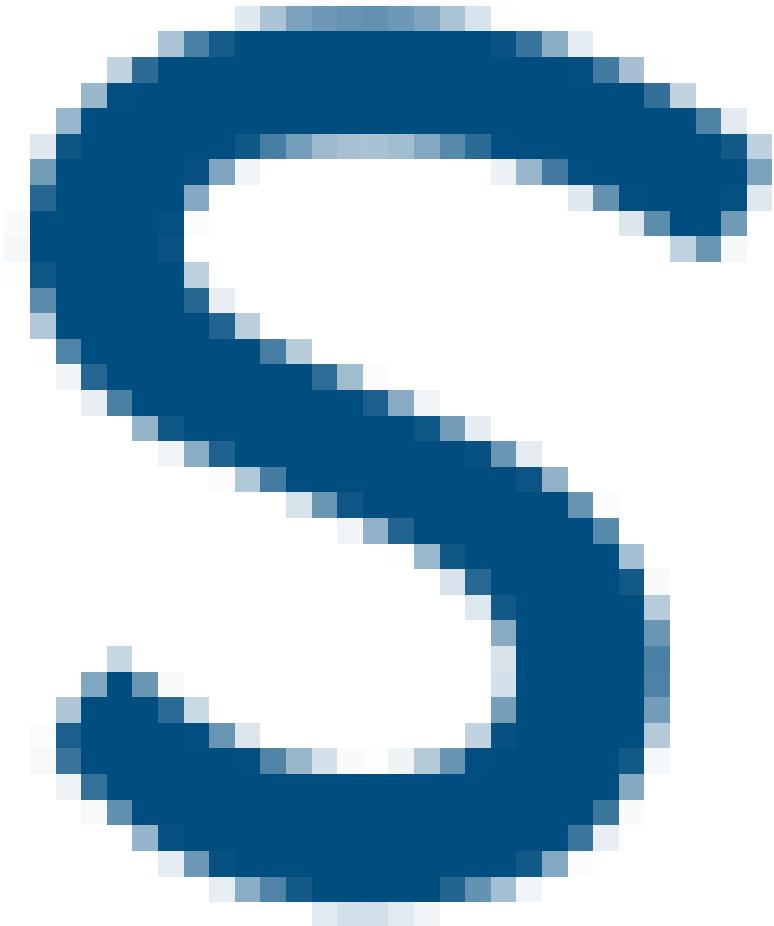

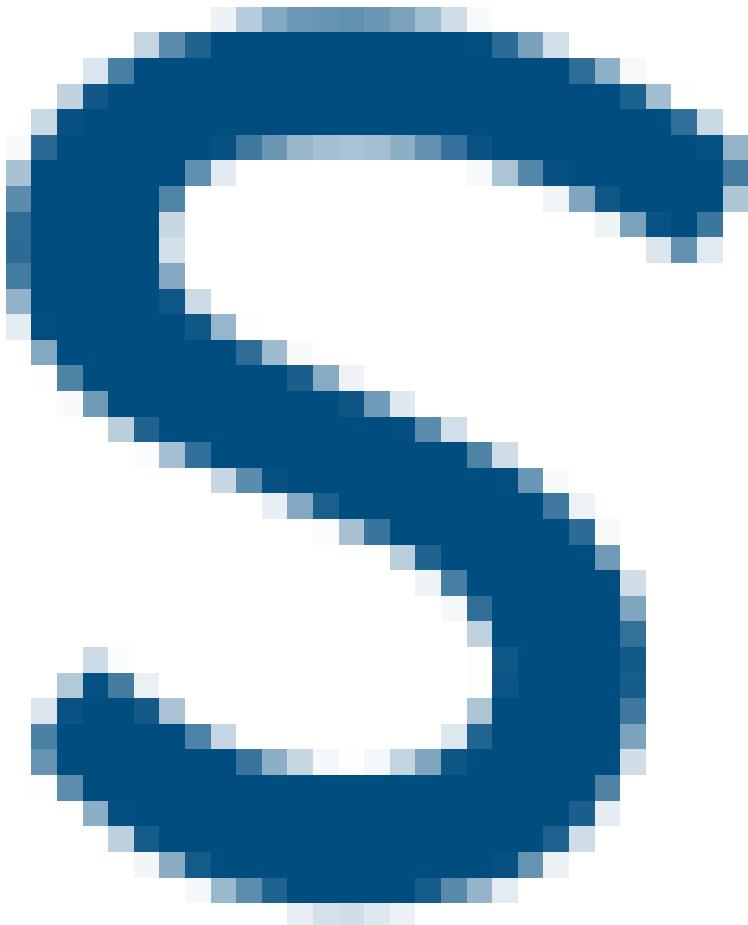

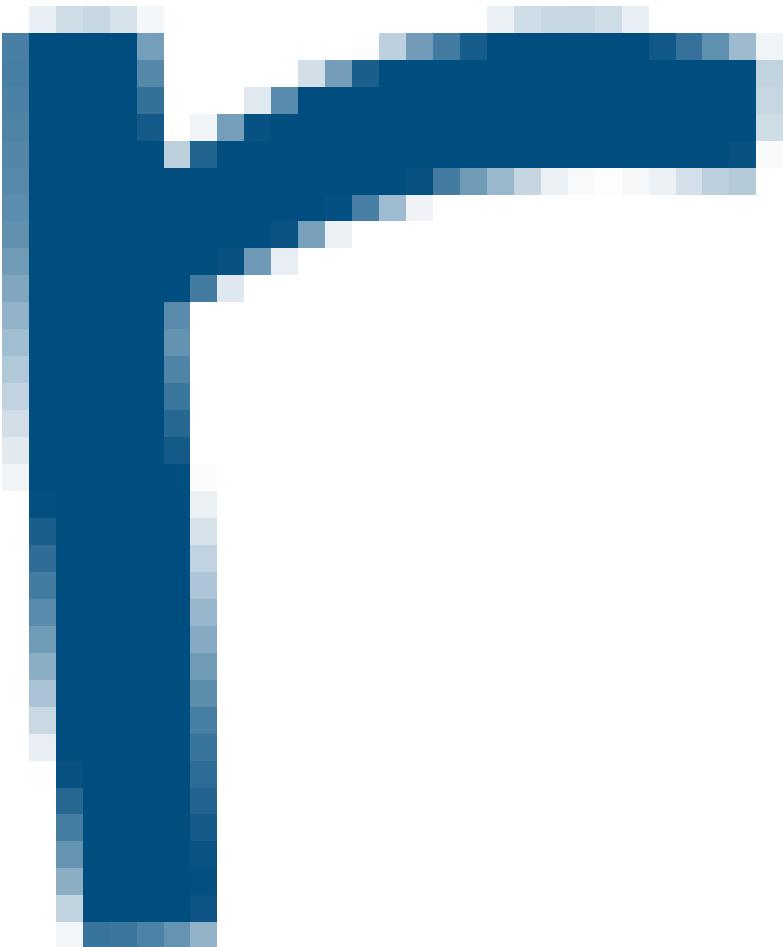

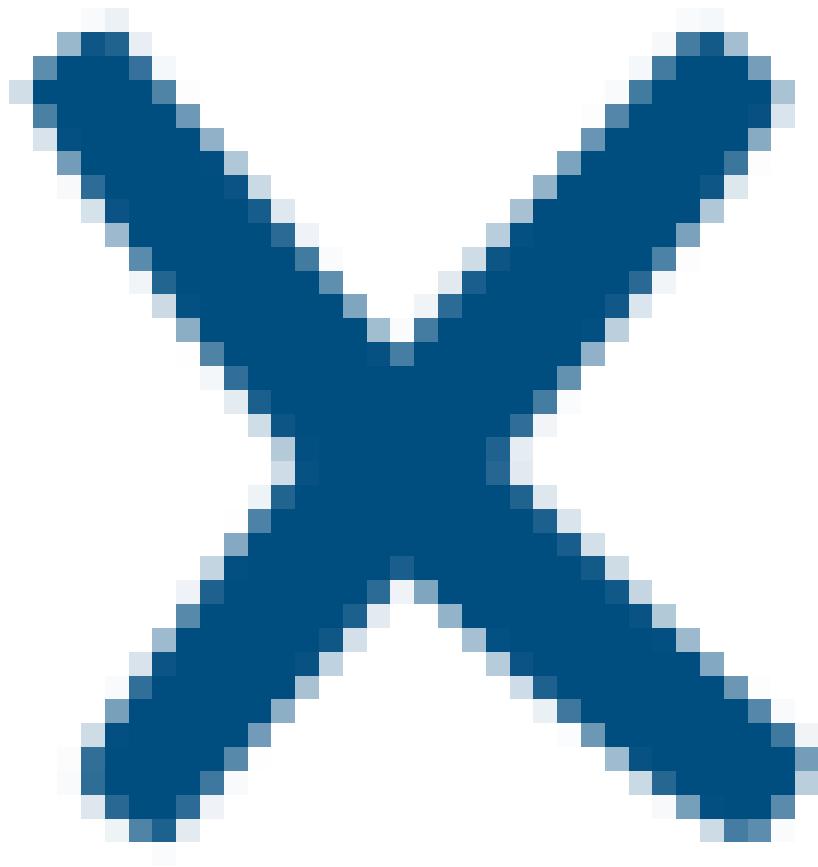

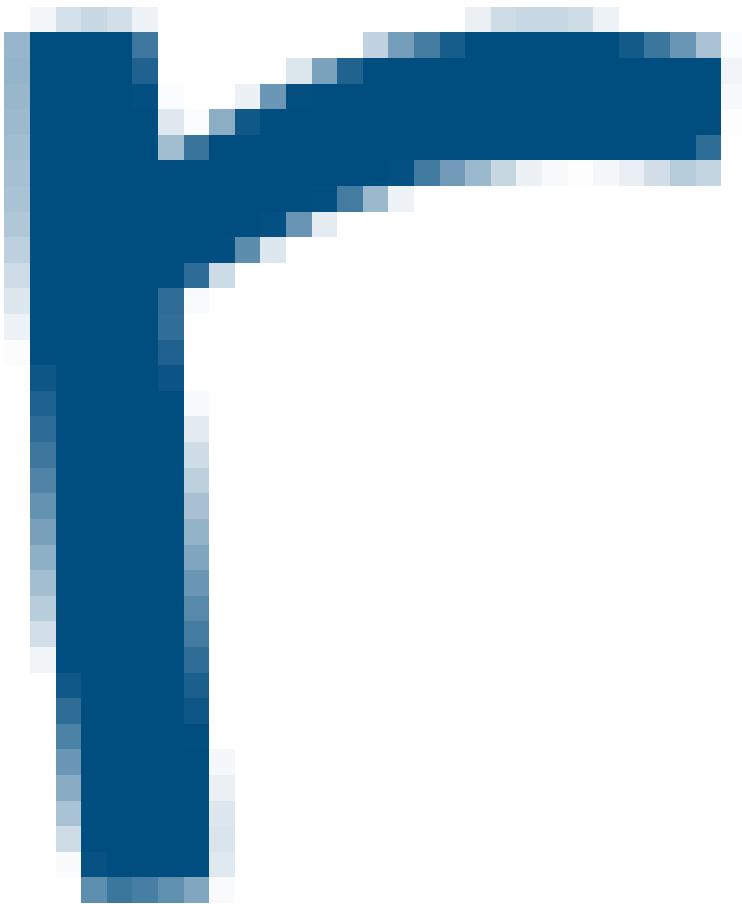

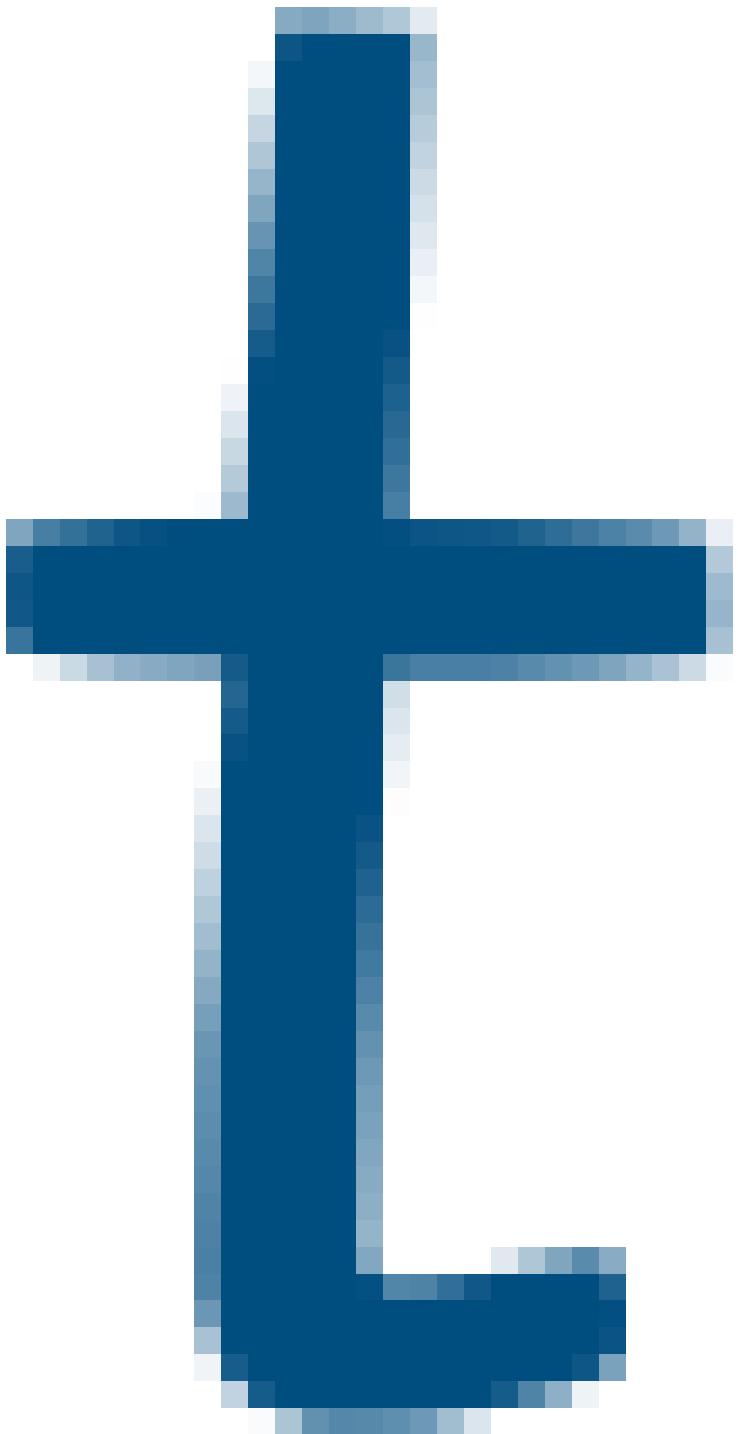

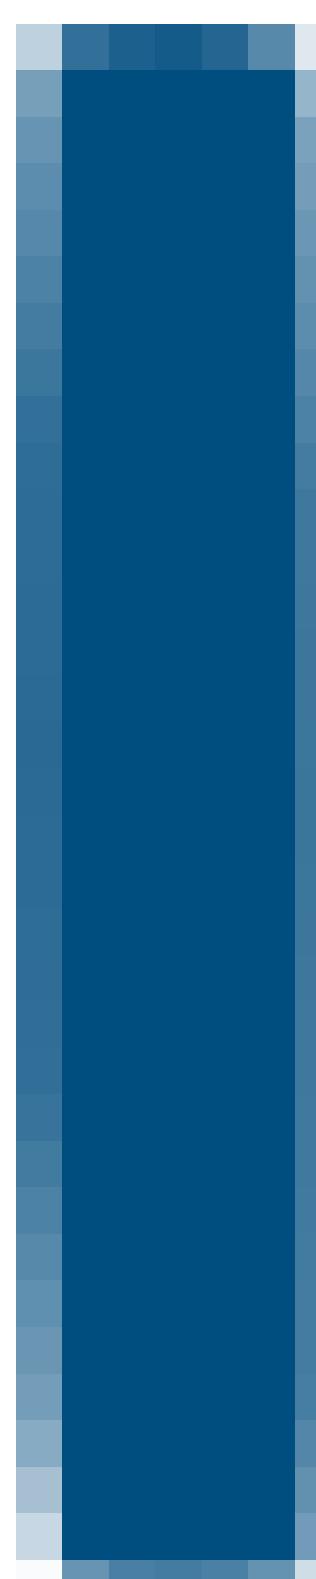

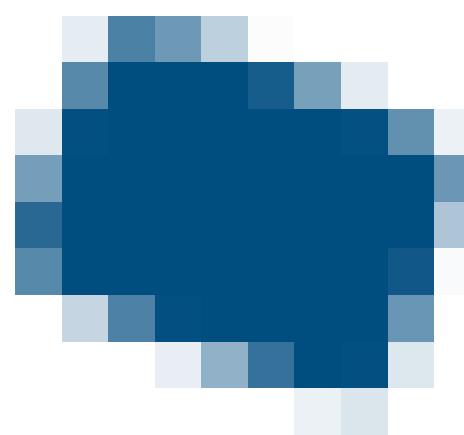

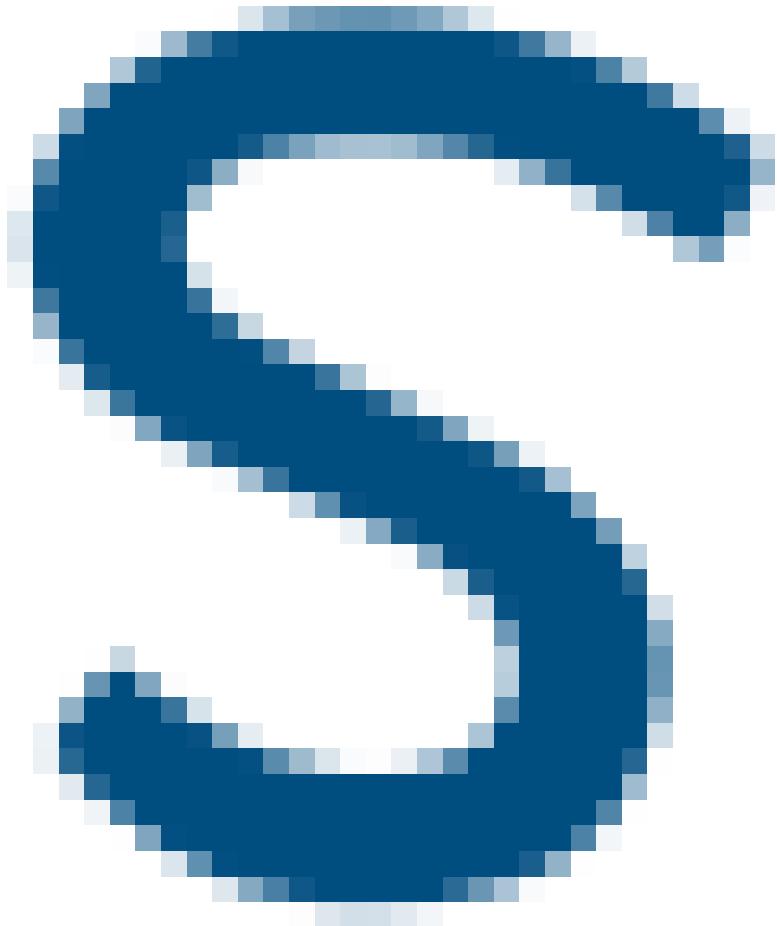

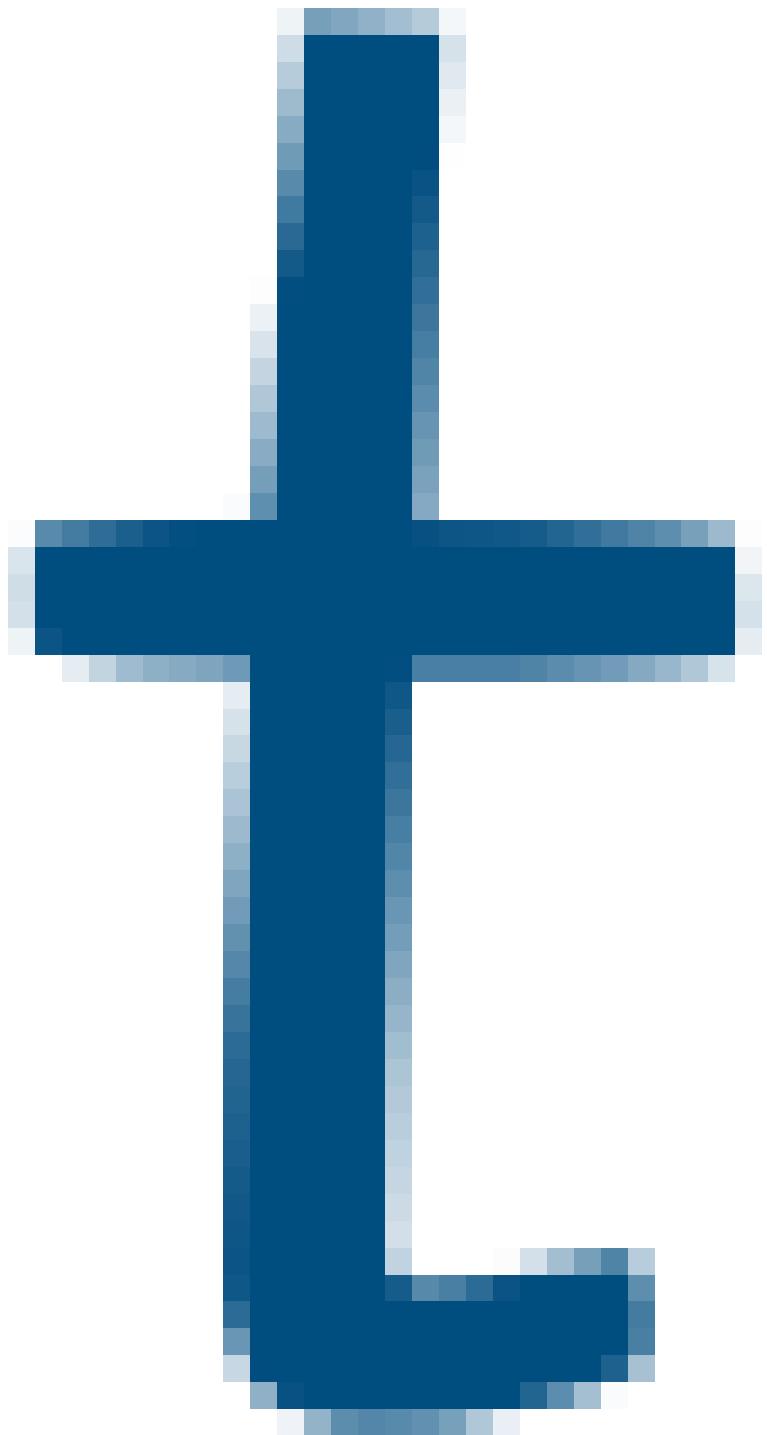

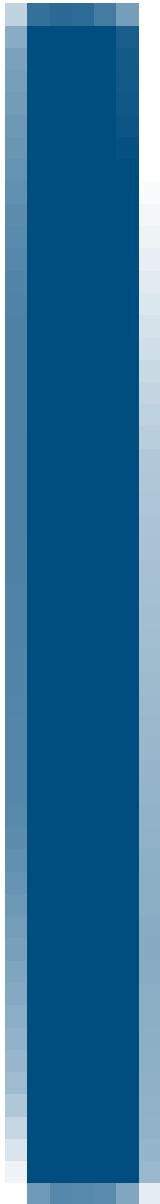

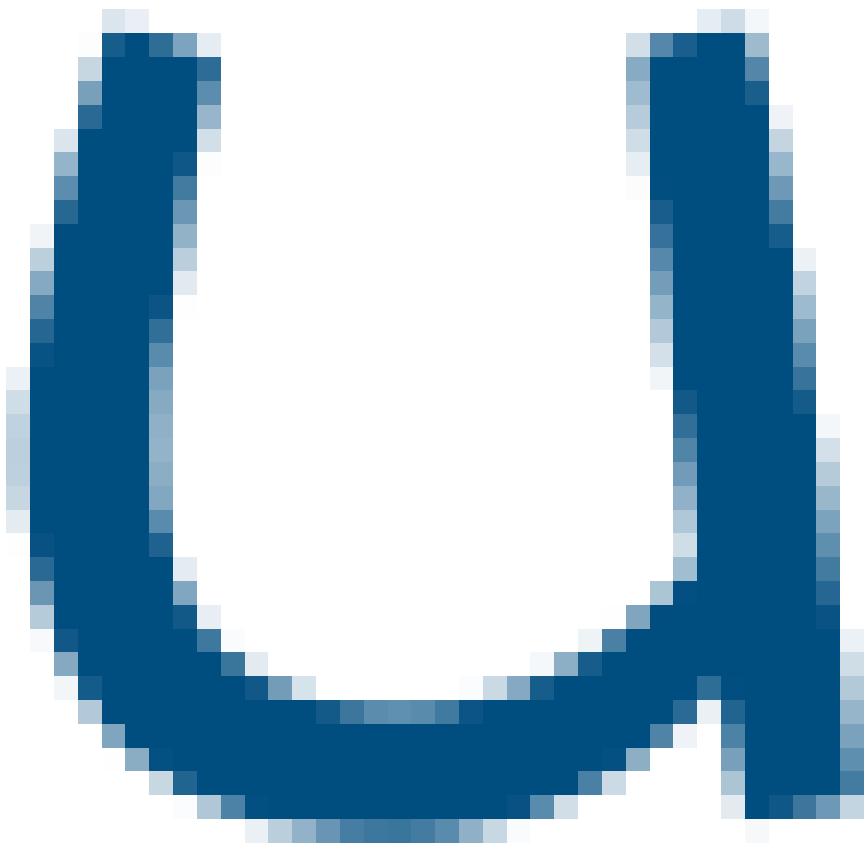

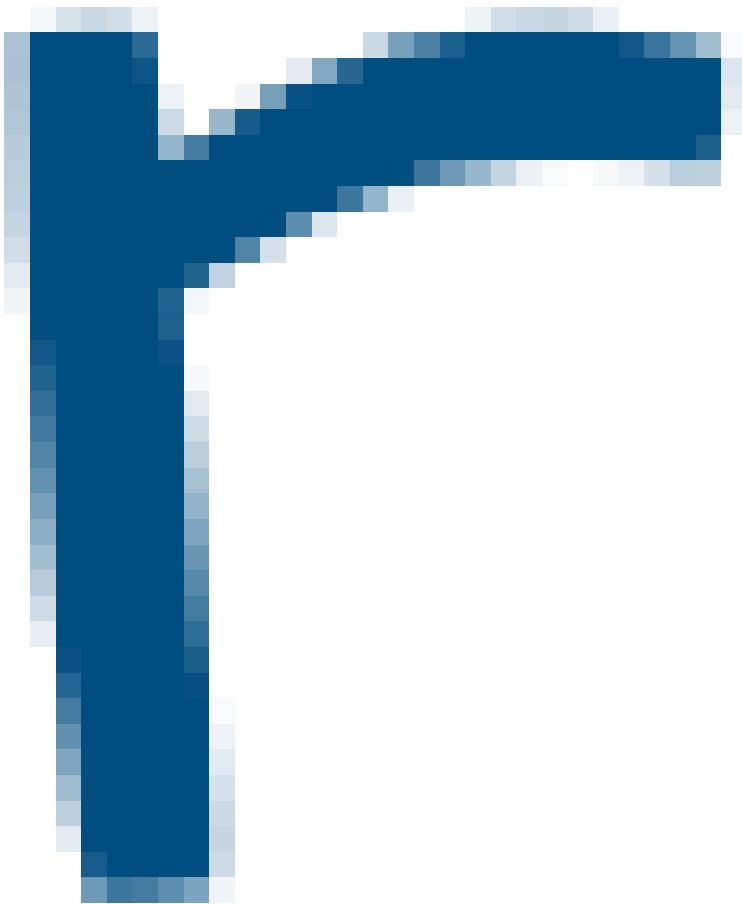

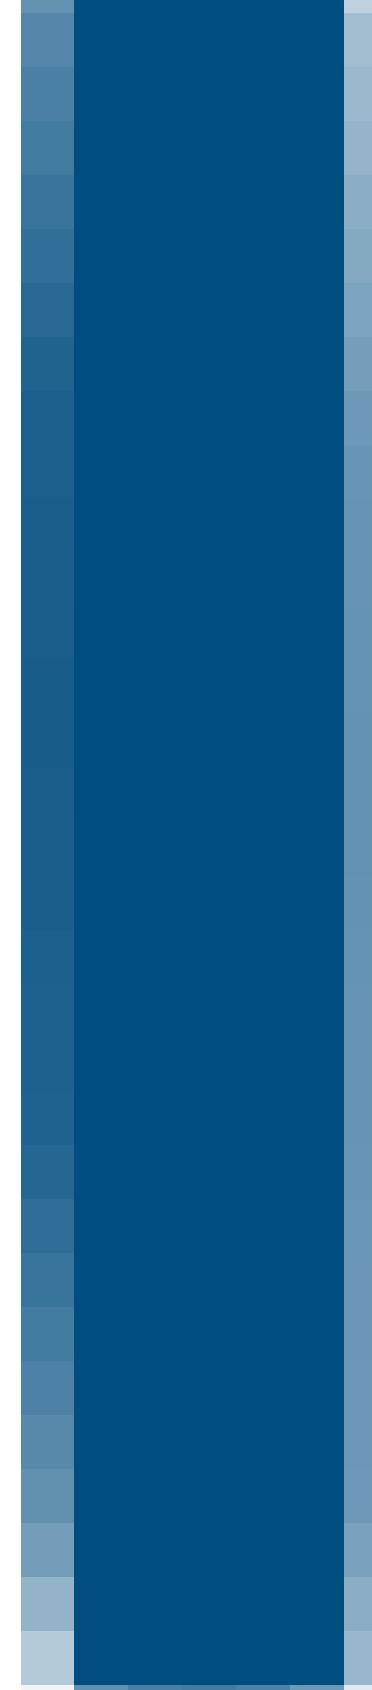

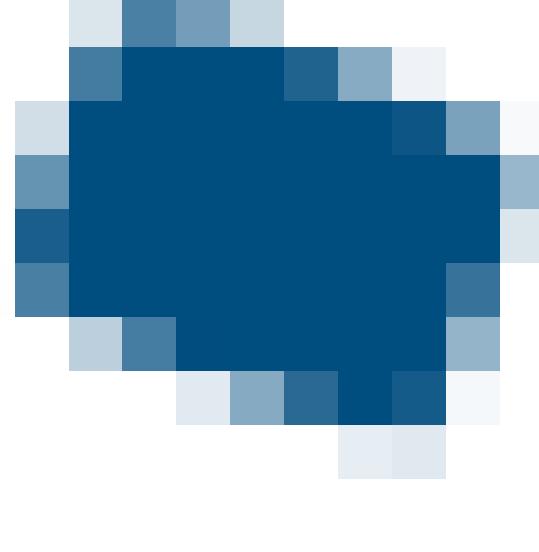

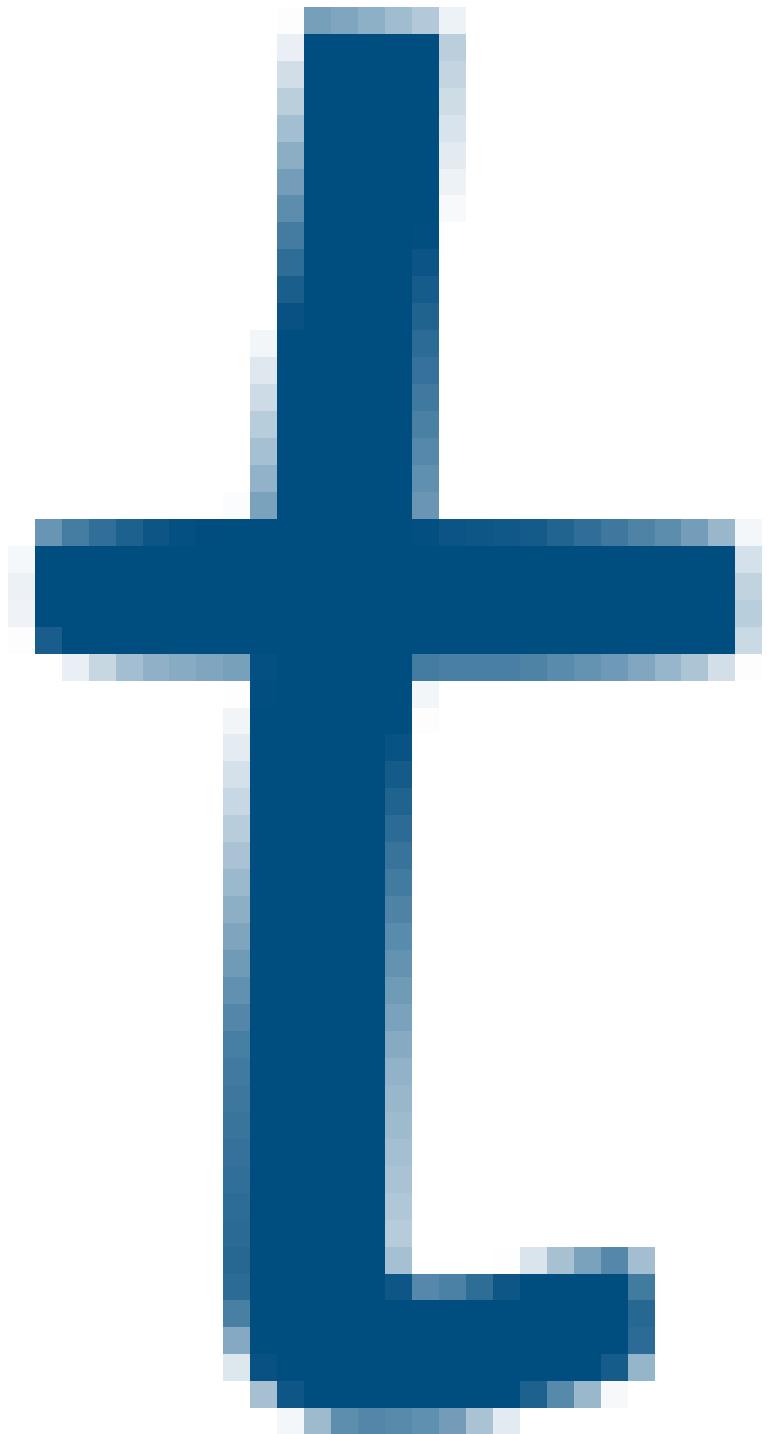

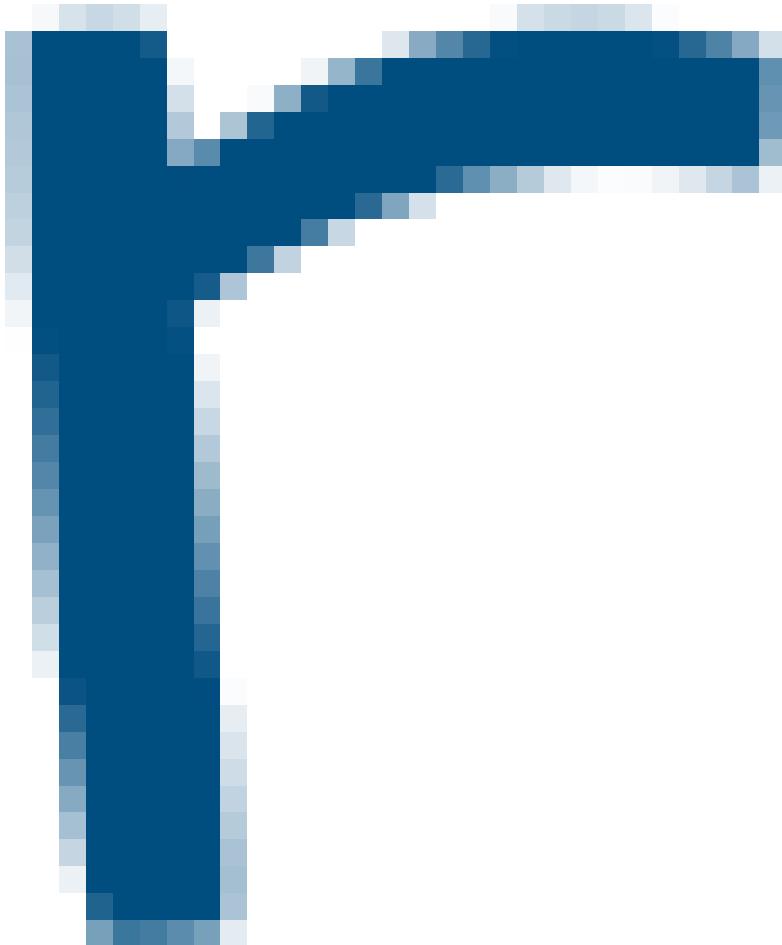

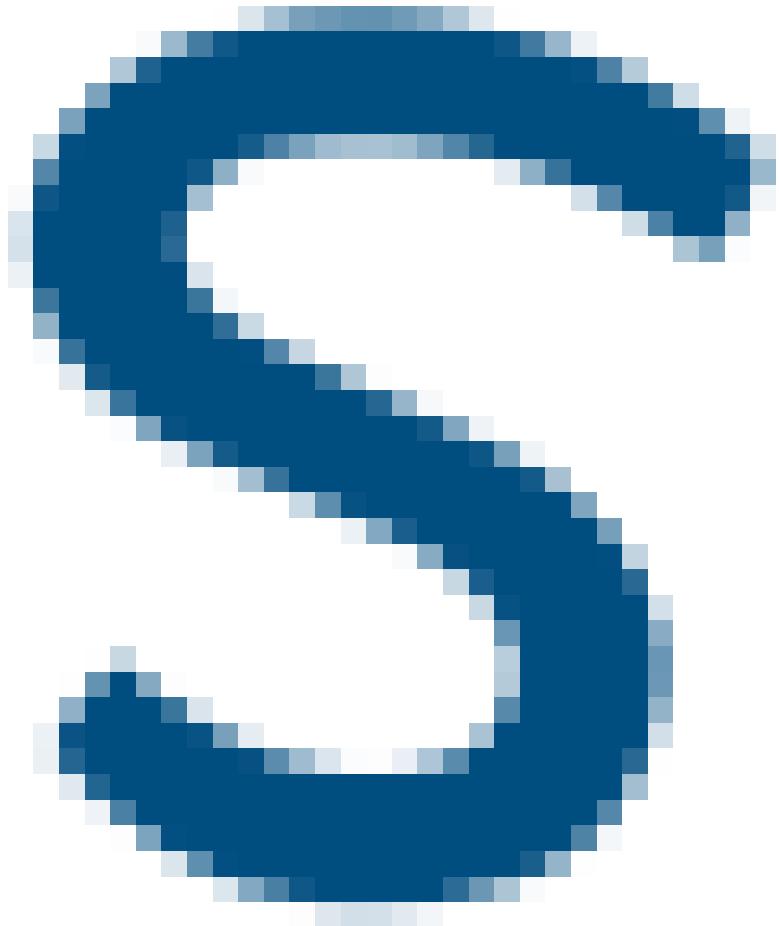

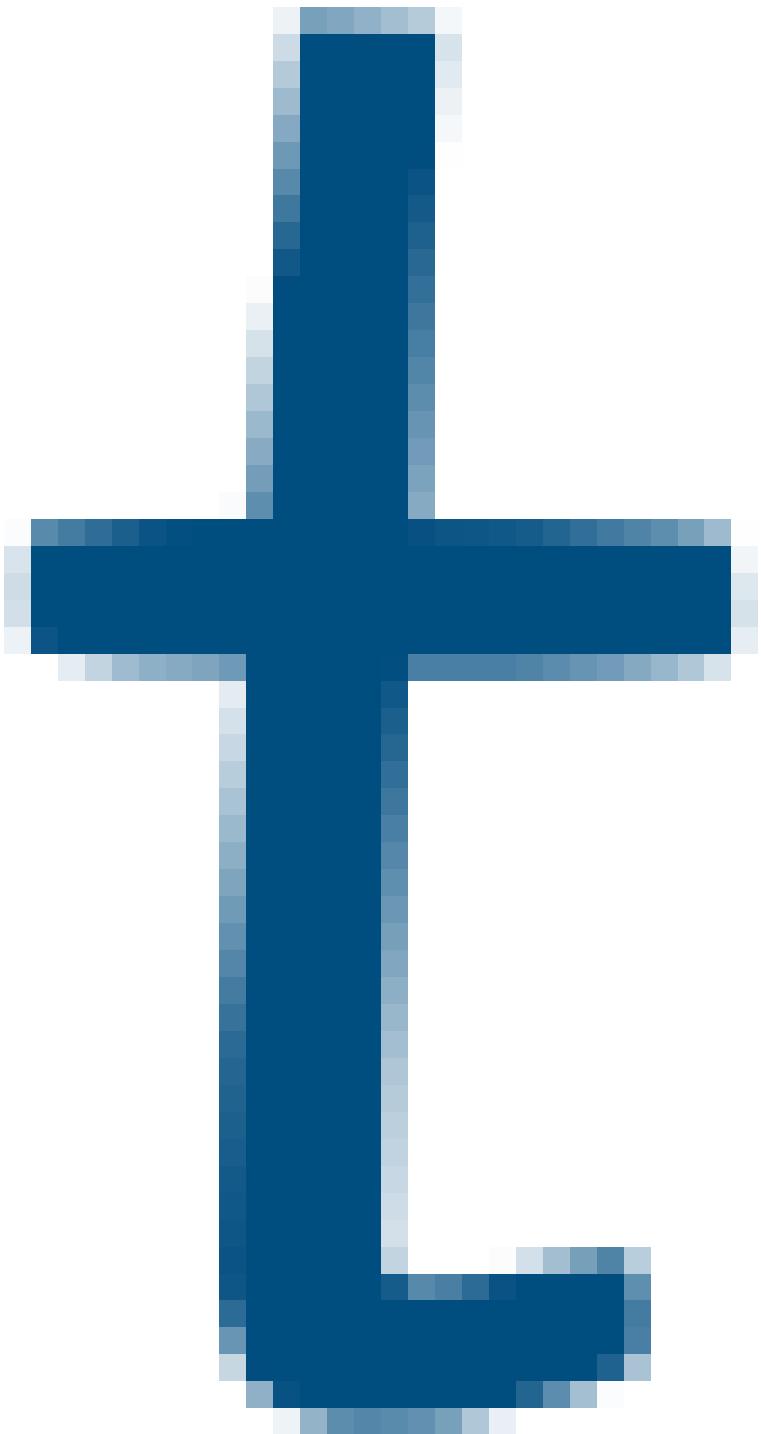

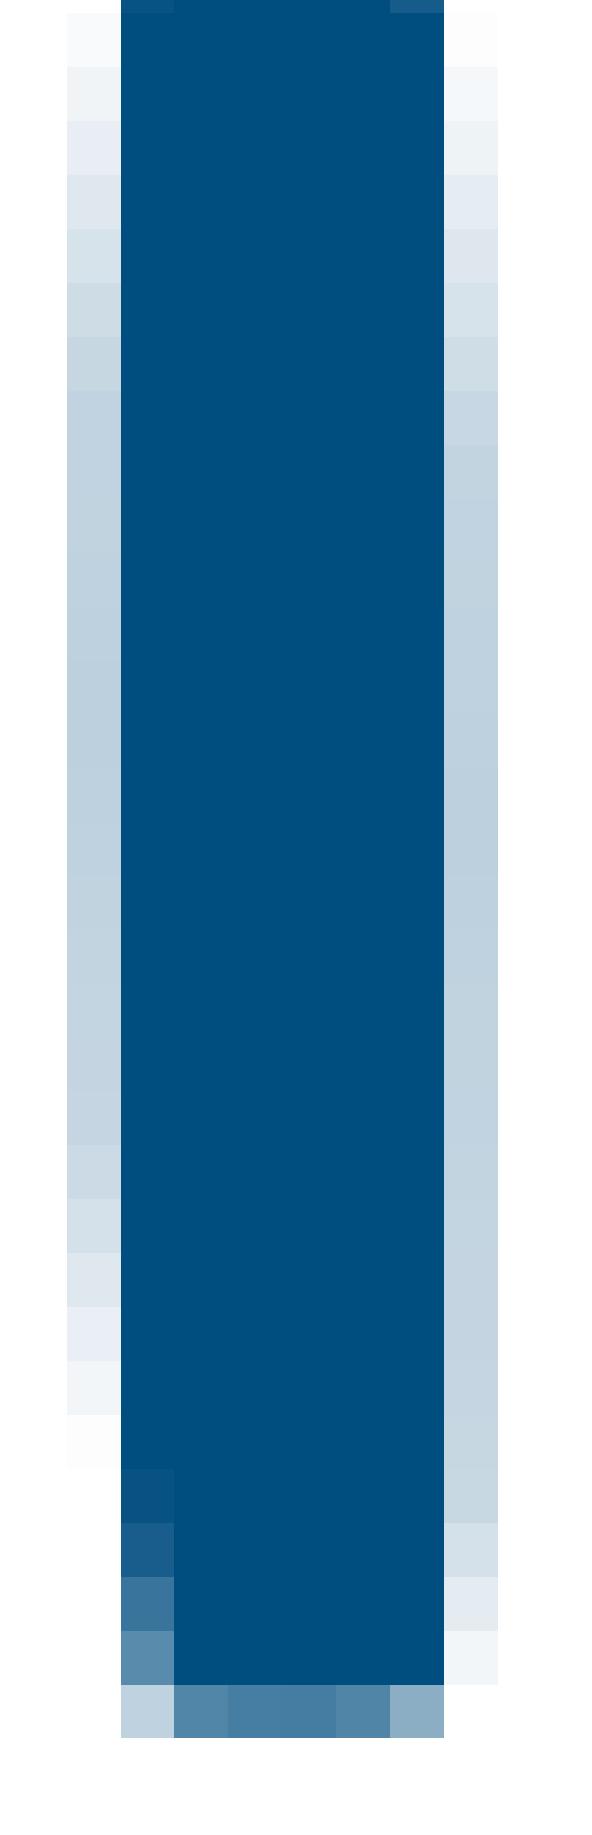

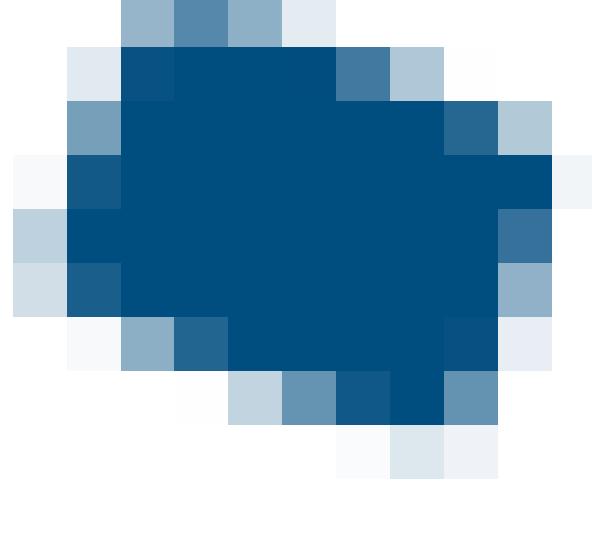

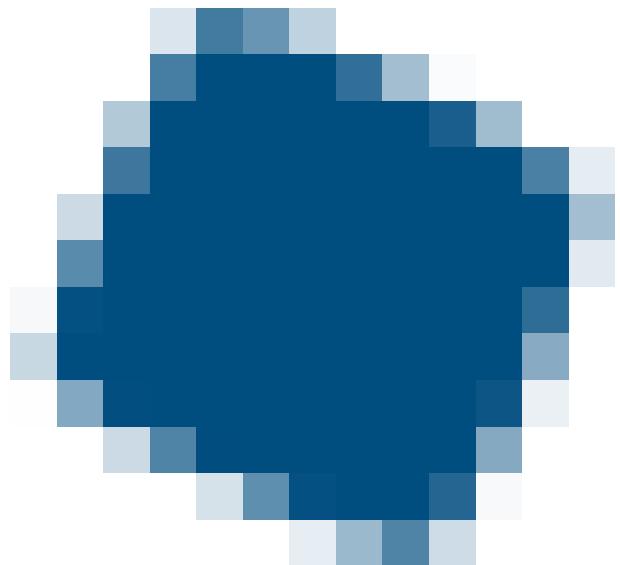

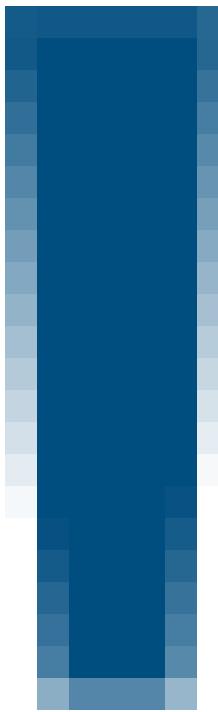

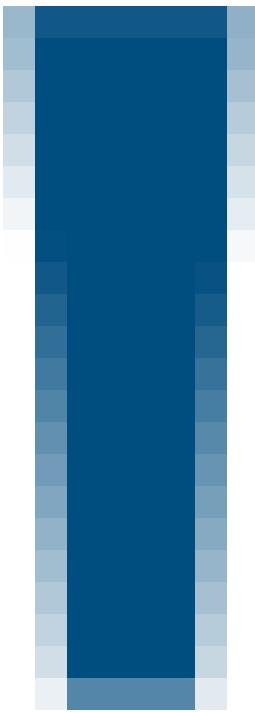

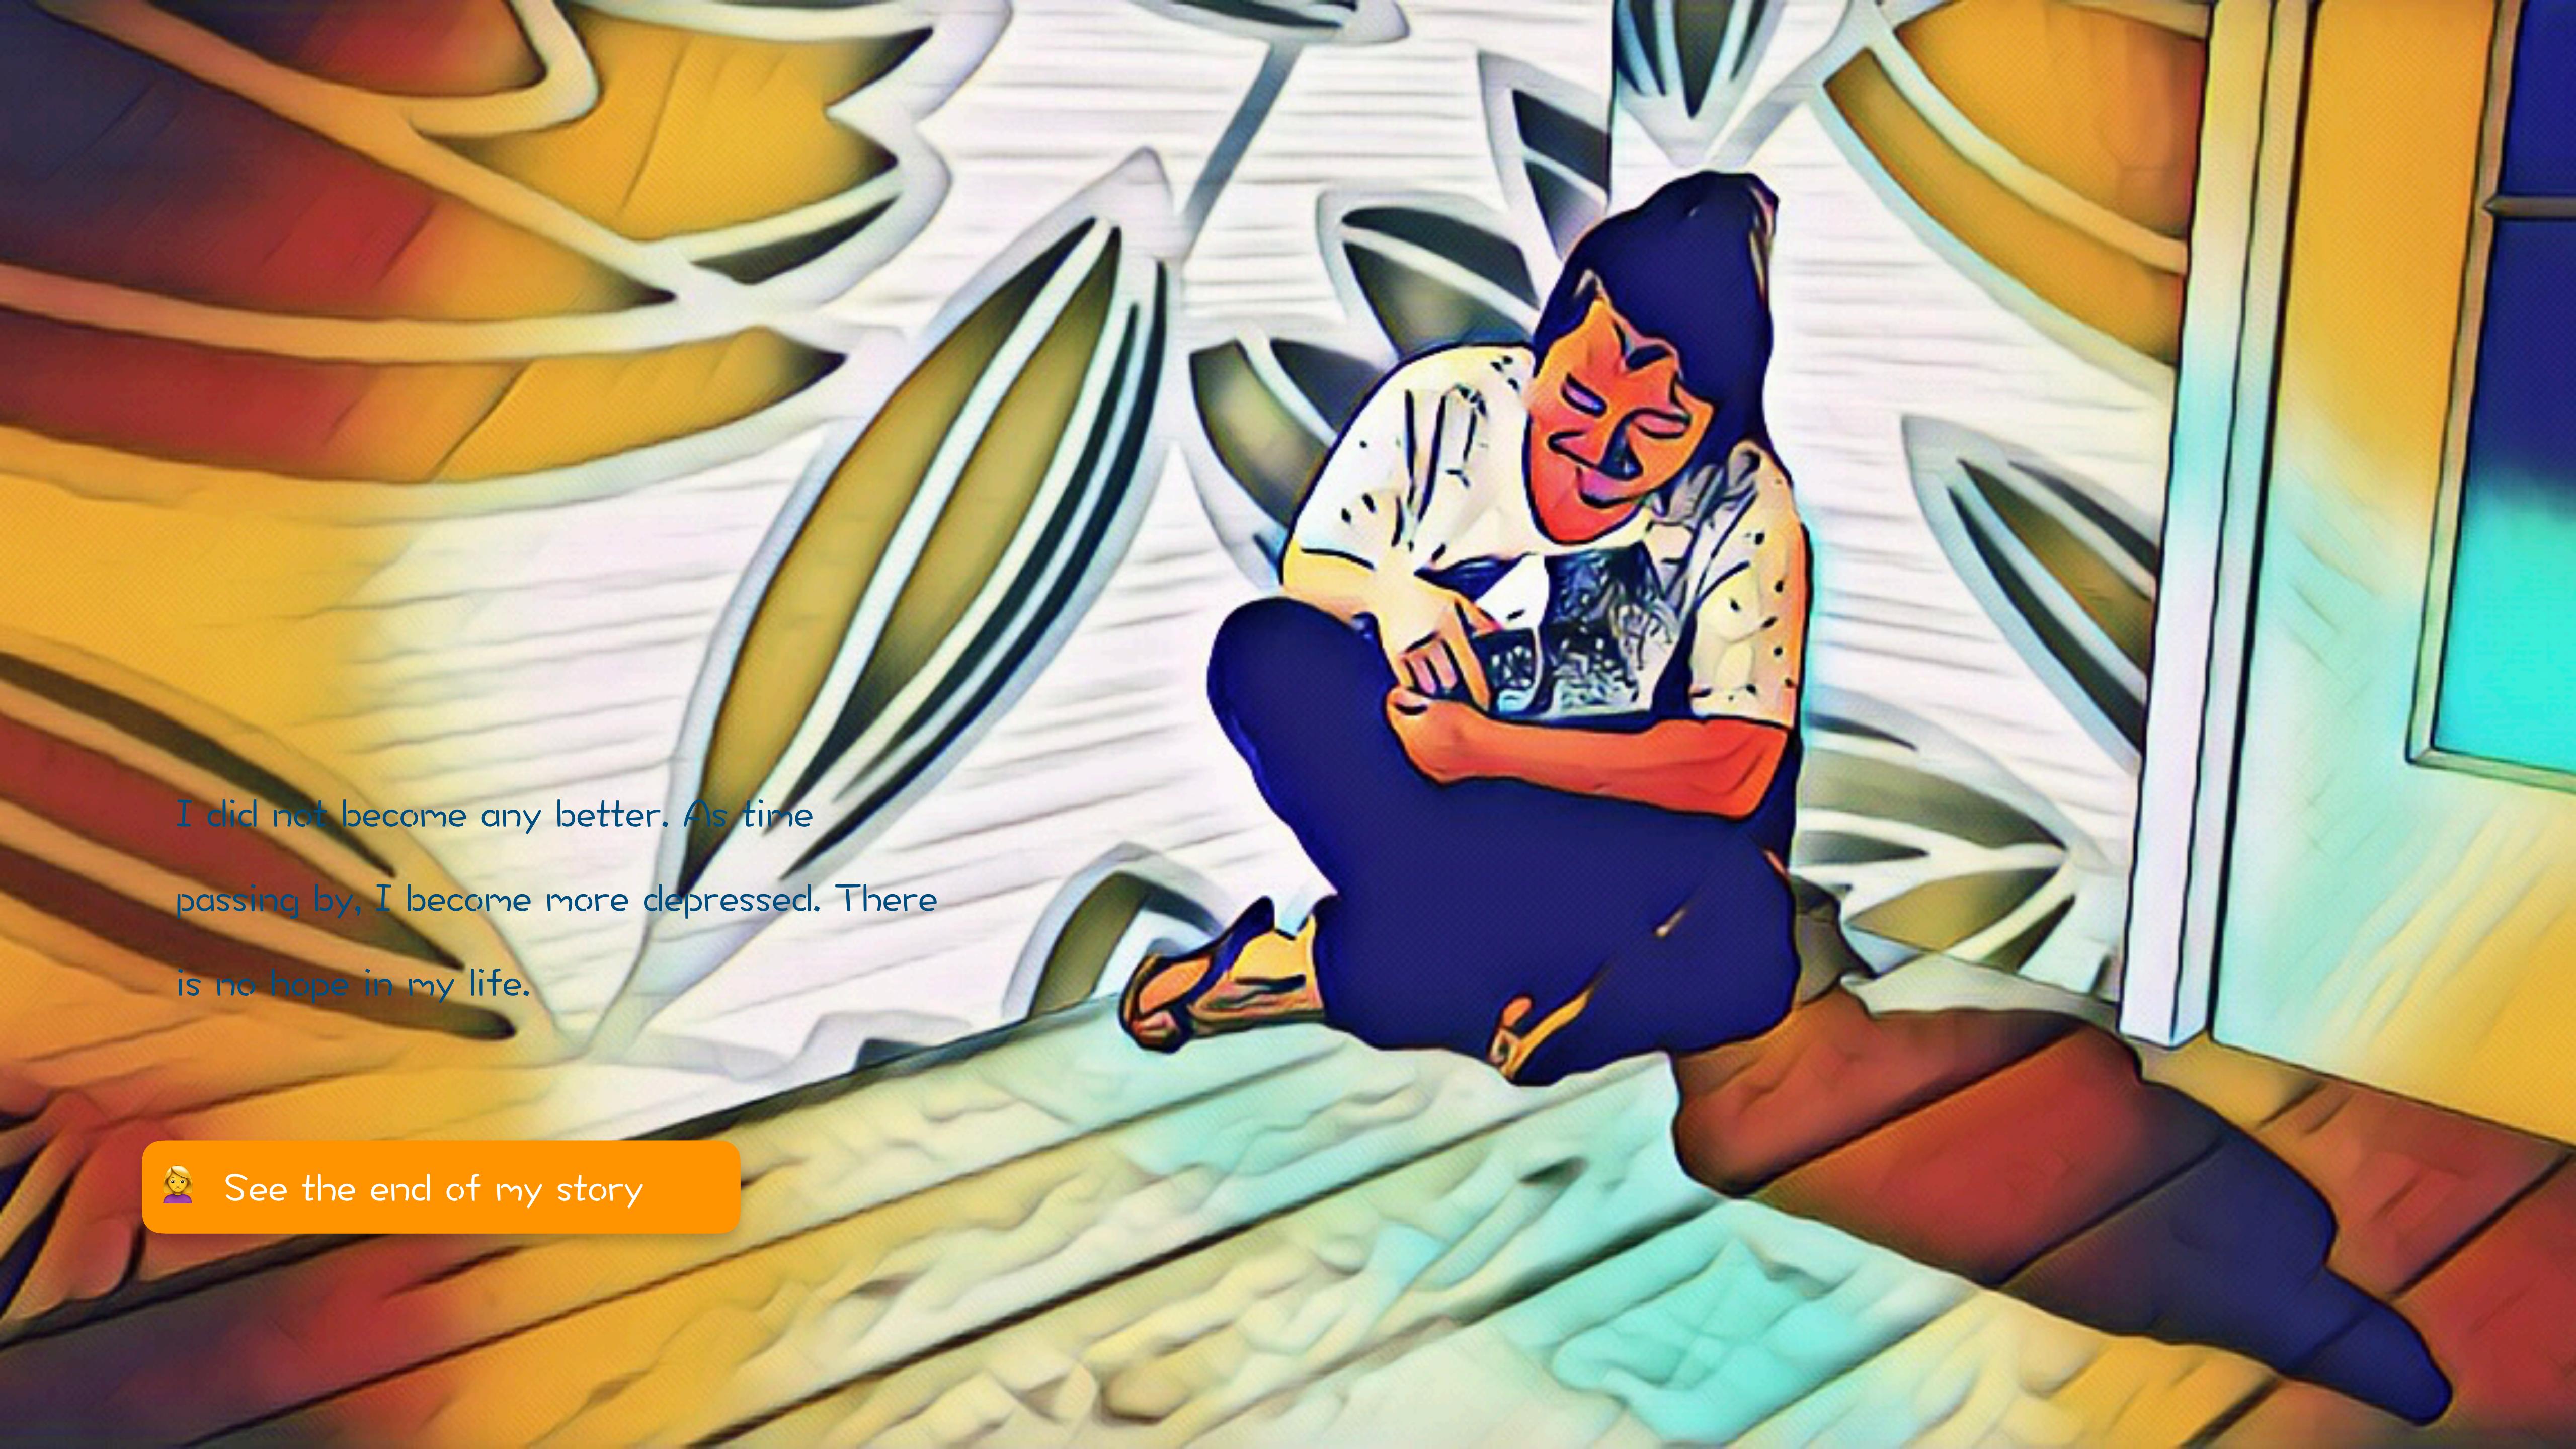

"You have a moderate depression. I suggest you to relax and do more things that you are interested in."

Keep learning piano, which I do not like

A stylized illustration of a woman with dark hair, wearing a white patterned top and blue pants, sitting on a bed. She is holding a small framed photograph of a landscape in her hands, looking at it with a somber expression. The background features large, colorful, overlapping shapes in shades of yellow, orange, and red.

I did not become any better. As time  
passing by, I become more depressed. There  
is no hope in my life.
